EXPLANATORY NOTE

(This note does not form part of the Ordinance)

1. This explanatory note relates to the Documents (Special Duty) (Amendment) Ordinance 2009 (“the Ordinance”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Ordinance. It does not form part of the Ordinance.

2. The Ordinance replaces the Schedule to the Documents (Special Duty) Ordinance 1962. The duty rates are updated to euros and amendments to the Schedule made by Ordinances 3/64 and 11/69 and Public Instrument 30/72 are consolidated in this Schedule. As a consequence, those Ordinances are repealed and the PI is revoked. In addition, amendments made in the Republic to the Schedule in the equivalent Republican legislation by Law 78/1977 have been replicated. The rate of special duty for those licences that are not dealt with by the Republic of Cyprus under a delegation (tobacco licences and intoxicating liquor licences) are adjusted to a round sum. Finally, the Schedule removes references to Ordinances that are no longer in force in the Areas.
