

Closure of Larnaca/Famagusta Main Road

Snake Road Dhekelia

1. A road survey was carried out between 7 and 15 December 2009 on Snake road Dhekelia, part of Larnaca/Famagusta main road from Waterloo road west round about to the junction of Larnaca/Famagusta road with Pyla/Pergamos road by a team of engineers to establish the current condition of it. The findings of the survey are that the road condition and state is very dangerous and must be closed immediately.

To this effect, as of **1500 hrs on 17/12/2009** the road will close for traffic and will remain closed until further notice.

2. Traffic travelling in the direction of Larnaca or Famagusta will be diverted through Waterloo road Dhekelia with diversions clearly signposted, which will be periodically inspected by the SBA Police to ensure road safety.
3. Traffic travelling to the Richmond village and SBA Police Station will be facilitated to do so with diversions clearly signposted.
